

Teacher Acknowledge Form

Student info

First Name _____

Last Name _____

Parent 2 Info

I understand that the aforementioned student is going to be admitted into the Park Place Robotics Club which meets every Monday and Wednesday, from 3:00pm to 6:00pm. To the best of my knowledge, I consider that the aforementioned student will not need tutorials on those days and, if tutorials are needed at some point, we will work together in order to schedule them out of those days if it is in anyway possible.
